MEMORANDUM OF UNDERSTANDING

between

Lviv National Agrarian University – LNAU, Ukraine
and
"Gheorghe Asachi" Technical University of Iasi – TUIASI, Romania

The present agreement is meant to promote cooperation on multiple levels between the two aforementioned institutions. The two participants agree to collaborate in research and education, in the spirit of contributing to the development of science and knowledge transfer.

Article 1

In accordance to the regulations of both countries, each institution will initiate, coordinate and cooperate in activities concerning:

- development and collaboration in research projects (European or international programmes);
- student exchange programmes;
- professional courses and training;
- organisation of symposia, seminars and conferences;
- doctoral and postdoctoral stages;
- any other collaboration that may be beneficial for both parties.

Article 2

Students who carry out research stages at the host institution will cover their travel expenses, the costs related to daily subsistence and health insurance out of their own funds.

Article 3

Publication, exploitation and protection of the subjects and results of research projects are carried out by both institutions according to the specific procedures of each country.

Article 4

The publication of any common research is performed with the consent of involved researchers from both institutions.

Article 5

Doctoral or post-doctoral stages may be financed through projects by the sending institution or by any other type of contracts suggested by the Parties. The details and specifics for each of the aforementioned collaborations will be established through additional agreements. These agreements will specify provisions related to the financial framework for the specific cooperation, to the publication, dissemination and exploitation of research results and to other details that might be considered important by the Parties.

Article 6

Professional courses and training stages may be organised in each of the two institutions with lecturers and trainers from both parties.

Article 7

The present Memorandum of Understanding will become legally effective and enforceable as soon as it is signed by both parties and it will be valid for a period of 5 years, with the possibility to extend it.

Article 8

Each institution will appoint a contact person who will act on behalf of the university/institute she/he represents for each specific collaboration as mentioned in Article 1.

Article 9

Either party may terminate this agreement with six months' prior notice to the other party.
