Dear colleagues!

We would like to invite you to participate in

International Scientific-Practical Conference

"INNOVATIONS IN MODERN AGRICULTURAL PRODUCTION"

September 21-22, 2023, Odesa, Ukraine

CONFERENCE OBJECTIVE

The conference aims to coordinate the efforts of scientists, experts, and business professionals in addressing the challenges of modern agricultural production through innovative scientific developments.

CONFERENCE WORKING LANGUAGES

◇ Ukrainian ◇ English

CONFERENCE FORMAT

Mixed conference format:

- in the premises of Odesa State Agrarian University (*address: Ukraine, Odesa, 13 Panteleimonivska St., 3rd floor, room 314*);
- online on the ZOOM platform (*all participants will be additionally informed about the connection conditions*)

THE MAIN THEMES OF THE CONFERENCE

1. **Crop Production Modern Technologies** (chairman – Victor Zorunko, Candidate of Agricultural Sciences, Associate Professor, Odesa State Agrarian University)
2. **Innovations in Horticulture, Vegeculture, and Fruit-and-vegetable Products Storage** (chairman – Olena Khareba, Doctor of Agriculture, Professor, *National Academy of Agrarian Sciences of Ukraine*)
3. **Innovations in Biological Pest Control Products Manufacturing and Using** (chairman – Olena Nikipelova, Doctor of Chemistry, Professor, *Engineering and Technological Institute "Biotekhnika" of NAAS of Ukraine*)
4. **Agricultural Crop Nutrition Modern Systems and Soil Fertility Problems Under Resources Conservation** (chairman – Leonid Serhieiev, Candidate of Agricultural Sciences, *Odesa State Agricultural Experimental Station of Institute of Climate-Smart Agriculture of NAAS of Ukraine*)
5. **Climate Changes Influence on Agricultural Production Technologies** (chairman – Serhii Zaiets, Doctor of Agriculture, *Institute of Climate-Smart Agriculture of NAAS of Ukraine*)

Plenary and sectional meetings are planned as part of the conference.

Participation in the conference is FREE

There are no registration fees.

The proceedings of the conference will be published in a separate collection

GUIDELINES FOR PARTICIPANTS

You should submit your **conference paper** completed following the requirements and fill out the **registration form** for participation at the conference. Send your conference paper, attached with the filled form, to the e-mail:

[**agroinnovationsconf@gmail.com**](mailto:agroinnovationsconf@gmail.com)

The submission deadline: **September 4, 2023.**

All reports must be accompanied by presentations in MS PowerPoint format. It is not necessary to send presentations.

CONFERENCE PAPER REQUIREMENTS

Conference papers must be written in Ukrainian or English following the requirements (see the template). The paper should be named by the surname of the corresponding author coupled with the topic number

The conference paper structure

- 1) UDC
- 2) The title in Ukrainian
- 3) Surname, initials, academic degree, and academic title, of each author in Ukrainian (no more than 5 authors). Underline the corresponding author's surname.
- 4) E-mail of the corresponding author
- 5) Institution titles of all authors in Ukrainian
- 6) Abstract in Ukrainian (up to 400 characters with spaces)
- 7) Keywords in Ukrainian (up to 5 words and phrases)
- 8) UDC
- 9) The title in English
- 10) Surname, initials, academic degree, and academic title, of each author in English. Underline the corresponding author's surname.
- 11) E-mail of the corresponding author
- 12) Institution titles of all authors in English
- 13) Abstract in English
- 14) Keywords in English
- 15) Main text in Ukrainian or English (Approximate structure: introduction, the purpose of research, research results, conclusions)
- 16) References (up to 5 sources)

General Requirements

- file format: .doc, .docx;
- sheet format: A4;
- all page margins: 2 cm;
- font: Times New Roman, 14 pt;
- pages are not numbered;
- the paper length is up to 5 pages

The UDC is placed before the title and aligned to the left edge of the page. The title of the paper must be written by **BOLD CAPITAL LETTERS** and has centered alignment.

In the case if authors are from different institutions the same superscript indexes (^{1,2...}) are pointed near the surname of the author and before the title

of his institution. Authors' surnames should be highlighted in **bold**. The institution's full titles must be written in **bold italics**. Author surnames and institution titles should have centered alignment both.

Vertical space between UDC and the title, the title and author's surnames, author's surnames and corresponding author e-mail, corresponding author e-mail and the institution's titles, the titles and the abstract, the abstract and keywords, keywords and the main text of the paper must be one line.

The main text is written regularly with one-line spacing and has justified alignment. Paragraph indents are 1.25 cm. Tables and figures are reproduced in the text after the first reference. The position of the figures on the page should be "in the text". The font in the tables may be reduced to 12 pt if it is necessary,

The chapter titles (such as Results, Conclusions, etc.) are not written.

Literature references in the text are shown by the numbers put in square brackets. The reference number must be corresponded to the same one in the reference list. Reference list is drawn up following DSTU 8305:2015 (Ukrainian standard). Examples of various reference types designs are given in the Appendix.

Submitted papers are sent for peer review.

Authors are fully responsible for the content of the papers.
